Dear Oceanport Neighbor/Resident/Property Owner,

2025

We hope this mailing finds you well. Once again, the Port-Au-Peck Fire Company (PAPFC) is conducting our annual fund drive to maintain a state of readiness for rapidly responding to incidents and emergencies throughout our growing Oceanport community.

As a 100% volunteer-based non-profit organization, PAPFC, a member of the Oceanport Fire Department, provides essential fire service protection to the residents and property owners of our community, 24 hours a day, 7 days a week. Our personnel are well-trained and dedicated individuals who generously volunteer their time and efforts to ensure you and your family receive the highest level of fire protection possible. Members participate in approximately 28 drills per year to enhance their skills in the utilization and operation of all firefighting equipment. They continually educate themselves on the latest firefighting techniques in response to emerging technologies. Last year, our committed individuals responded to over 220 emergency incidents.

As with any volunteer organization, we incur recurring operating and maintenance expenses. As a non-profit organization in our 108th year of dedicated service, we depend on you, our Oceanport community, for donations to address these costs. Once again, we are reaching out to you for your generous, tax-deductible donation. Your past generosity has enabled us to continue providing the fire protection you have come to rely on. We ask for your continued support to help keep our Fire Company solvent and able to serve the community effectively. **PLEASE NOTE: This is the only official fund drive of the Port-Au-Peck Fire Company**

*Thank you for your continued support,
The Members of the Port-Au-Peck Chemical Hose Company*

*Santa will visit the home of all registered children with a gift, on SATURDAY, DECEMBER 20, 2025,
between the hours of 09:00am - 4:00pm, (Rain Date: DECEMBER 21, 2025).*
