Dear Oceanport Neighbor/Resident/Property Owner,

2026

Hello neighbors! We hope you are doing well. The Port-Au-Peck Fire Company (PAPFC), a member of the Oceanport Fire Department, is kicking off our annual fundraising campaign. Your donations help us stay fully prepared to respond to any emergencies in our growing Oceanport community.

As a 100% **Volunteer** organization, PAPFC delivers 24/7 essential fire protection services to our community's residents and property owners. Our dedicated personnel generously donate their time to ensure your family receives the highest level of service possible. To maintain peak readiness, members complete roughly 28 drills annually, mastering advanced equipment operations and studying modern firefighting techniques for emerging technologies. Last year alone, our committed volunteers responded to more than 350 emergency incidents in our community, as well as to our surrounding neighbors.

Like any volunteer organization, we face recurring operational and maintenance expenses. Now in our 109th year of dedicated service to Oceanport, our non-profit relies on the generosity of the Oceanport community to meet these financial needs. We are reaching out once again to ask for your tax-deductible donation. Your past contributions have helped us sustain the reliable fire protection service you depend on. We ask for your continued partnership to keep our Fire Company financially stable and readily equipped to protect our community. When an emergency strikes, PAPFC answers the call.

PLEASE NOTE: This is the only official fund drive of the Port-Au-Peck Fire Company

Thank you for your continued support
